Dear Mr. Prince:

Thank you for writing to the County of Perry with your request for information pursuant to the Pennsylvania Right-To-Know law.

On May 15, 2014 you requested all previous disclosures of License To Carry Firearms applicants information outside of the Sheriff's Department. As of May 21, 2014, no RTK requests have been made to the Office of Open Records Office of the County, as well as no inter-office department or other disclosures of any nature. You will find attached to this response a letter from the Sheriff. A response from the County Auditors Solicitor stated "the auditors do not have any records in their possession that would be responsive to Mr. Prince's RTK request. Before the Sheriff's office began refusing to show the unredacted "ledger" of firearm permits issued, the sole time they would have any access to this record(s) was when they would review them for an annual audit and then immediately return them to the Sheriff's office. They never kept any copies nor disclosed these records to any other county office, person or agency, or anyone for that matter."

If you choose to file an appeal you must do so within 15 business days of the mailing date of the agency's response, as outlined in Section 1101. If you have further questions, please call Kathy Burkholder, 717-582-2131. Please be advised that this correspondence will serve to close this record with our office as permitted by law.

Respectfully,

Kathy Burkholder
